

Pierson College 2016-17 Winter Break Checklist

Suite Number: _____

YES?

We have closed and secured ALL of our windows

We have unplugged ALL of our appliances and holiday decorations.
(fridges should be emptied and defrosted
to avoid damage to floors)

We have turned off ALL of our lights

We have turned down ALL of our heaters to "2"

We have emptied our trash and recycling

To defrost a fridge:

1. Unplug fridge
2. Put a bowl, tray, or towel under the ice freezer compartment and wait for ice to melt.
3. Dry out fridge after ice is melted.
(Otherwise your fridge will be a fridge a wet, warm, dark box--an ideal place for mildew or other mold to grow. If it's too hard or you run out of time to thoroughly dry your fridge, leave the door propped open.)

Please return the completed Checklist to the Pierson Office
