This chart illustrates the most common paths for fulfilling the foreign language distributional requirement. Additional paths and detailed information are in *Yale College Programs of Study*.

**Language 1 (L1)**
- Take 3 courses, designated L1, L2, and L3.

**Language 2 (L2)**
- Take 3 courses, designated L2, L3, and L4.

**Language 3 (L3)**
- Take 2 courses, designated L3 and L4.

**Language 4 (L4)**
- Take 1 course, designated L4.

**Language 5 (L5)**
- Take 1 course, designated L5, or take 1 or more courses in a different language at least through L2.

---

**NOTE:** Students whose secondary school transcript shows that the language of instruction was other than English may fulfill the foreign language requirement by successfully completing ENGL 114, 115, 120, 121, or 450. Alternatively, students in this category may fulfill the requirement by successfully completing one or more courses in a third language, neither English nor the language of this secondary school instruction, at least through the level designated L2.
